“ I love this beautiful lady and her dear family!!!! I have known them all since their precious daughter, Erica, was a little girl. Both Shirley and Wayne were such loving, caring parents to Erica. Erica has grown into such a beautiful mother, and I know Shirley is beaming with joy and pride over what an excellent Momma her only daughter, Erica is, to her two children!!!!
I love you, Shirley, Wayne, and Erica. We are saddened and heartbroken over your Mother's passing-but we know you will see her again!! Sending each of you love, strength, and prayers!!!

“ We didn't know Shirley that long. We knew her through her daughter Erica which was a Blessing. We seen her at Church, piano recitals, grandson's football games and 50th anniversary and she always had a smile and we became friends.
