“ Shirley was the best mother. It pains me every day not having her here. She was always so happy and full of love. She was the light and laughter we needed. She took me in when I was six weeks old and never abandoned me. She was always the safe house to all the kids and they knew that. Growing up with her she helped more people and children than I can count. She was a wonderful woman and incredible mama.

“ Shirley was a wonderful mother in law. She was generous with her love, smiles and laughter. She would throw her head back and such a wonderful sound would leave her mouth. If you were lucky, you could would see her laugh until she had tears in her eyes. That was Shirley to me. That is how I will carry her memory in heart. I may miss the sight of you but I will never lose the memory of you. Love your favorite(only daughter in law) Cecilia Gomez(Lia)
