“ Gary and family, My heart is broken as I try to express my deepest sympathy to you. I'm so sorry for your loss. I'm so sorry for my loss as I love Sondra, too. She was such a good and nurturing lady. She was a mother to me and probably didn't even know it. I am so happy that I got to express my love for her in our last two visits. I am grateful for her friendship and was proud to call her my friend. The world is a better place because of Sondra. She will be greatly missed. Love and prayers. Gail Spencer
