“ I lived in the same neighborhood as Stephanie and she was the first person I met having been a Texas transplant to KCMO. I was blessed to have known her. We shared many conversations while walking our dogs and upon my return to KCMO was informed of her passing after having asked about her because I wanted to catch up while walking our dogs. I was heartbroken hearing of her passing and while I walk my dogs I remember her always!
God bless you Stephanie and may arms of angels keep you close know that you will never be forgotten and thank You for your service.
John my deepest condolences in time of your loss and know you are in my prayers.
