“ One of my special memories that I’ll cherish was sitting with Granddad at the Hospital and him thanking me for being there with him. I love singing with him and he sang with me a week before he passed. I started off with “Grandpa, tell me bout the good ol’ days,” and then he hummed and tried singing with me, then he sang Rock a bye baby, and I finished it with him! We will greatly miss him!!! Now he is together again with His beautiful wife and beautiful daughter Rosie!!!
