“ *I remembered walking down the street with the girls on the block. He would see us doing something we was not to be doing, he would be sitting on the porch and yell at us saying he was going to tell our mom and dad. But Steve never did, he would just do that to scare us girls. Im glad to know he is in heaven with Suzanne and everyone else we have lost. Last time i seen him was Suzanne's service and him and dad sat and talked for hours about the old days. He was crazy but in a way none of us will forget.. Love you Steve and you are right we all are family no.matter what..*
