“ I just heard about Steve's passing from my High School FB page. Steve and I were great buddies in High School. We ran cross country together. And, I knew Linda and Betty and Rudy. They were truly wonderful people. Rudy made carved a wooden flute and gave it to me. I still have it. It's beautiful. I'm glad to mail it to anyone in the family - if you have an interest. Linda helped me make an apron in Sewing Class. I got a D- on the project because the apron was sooooo good that my teacher knew there was no way I could have done it. :) // Unfortunately, I lost contact with Steve through the years. He was a great guy. I'm very sorry for your loss. I'm comforted to know that he had an interest in the Lord.
