

Steven Dale Mull

February 21, 1959 - April 11, 2025

Steven Dale Mull, 66, of Kansas City, Missouri, passed away peacefully in his sleep at his home on April 11, 2025. Born on February 21, 1959, in St. Louis City, Steven was a kind and simple man who touched many lives with his wisdom and warmth.

Steven spent 15 years as an aviation fueler, a role that reflected his deep knowledge of aviation and mechanics. He was a man of many talents, wise in old knowledge—skilled in nature, fishing, hunting, masonry, and maintaining a healthy lifestyle. He was also a talented cook, often sharing his love for food with those around him. A structured man who found joy in the little things, Steven loved to travel, experience new adventures, and connect with people, earning him a reputation as a charmer with the ladies.

Above all, Steven cherished his grandchildren, spending every moment he could with them and being a great grandfather in their lives. His kindness extended to everyone he met, and he lived with a quiet strength, never burdening others with his own struggles.

Steven is survived by his father, Dale Mull; his brother, Jeff Mull; his sister, Jean Mull Gaska; his son, Andrew Mull; his daughter Megan Mull; and 6 grandchildren. He was preceded in death by his mother, Rose Fisher, and his brother, Jim Mull.

A celebration of life will be held on April 27, 2025, at 2:30 PM at the covered shelter at English Landing Park near the river in Parkville, Missouri. In honor of Steven's love for pizza, his favorite meal will be served as family and friends gather to remember his life.

Tribute Wall

“ I remember our freshman year in high school. Steve was dating, Julie Wall, my best friend. I was dating, Doug Rhiodus. The four of us always would double date whenever we could all get together on weekends.

Steve was always kind and on the quiet side. But I hold the memories of the four of us together, very near my heart. I will always remember Steve.

God Bless the family members of Steve.
