

Susanne (Keller) Perry

October 12, 1949 - October 18, 2023

Susanne Perry (Keller), born in Connecticut, October 21st, 1949, passed away while recovering from heart surgery in Missouri on October 18, 2023. She is predeceased by her mother, Betty Scarpati; father, Myron Keller; step-father Vincent Scarpati; and brother, Timothy Keller.

Susanne was a graduate of Lyman Hall High School. She worked as an admitting agent at Meriden-Wallingford hospital. She was attacked by a robber in 1978 causing a major change in security and policy to protect all employees of the hospital. After the injury she went back to school earning 2 associates degrees and making the Dean's list. She eventually became disabled due to the injuries from 1978.

Susanne, never known as Susan, was devoted to her family. She helped raise her granddaughter, Val, during early childhood, and was there for her grandson Liam's birth. She moved back to Missouri to be close to her grandchildren and daughter. She is survived by her daughter, Kimberly Frost; son in law, Ryan Frost; honorary son, David Hock; Granddaughter, Valkyrie Frost; grandson, Liam Frost; and her younger brother Craig Keller and his family.

Susanne made it very clear that she didn't want any funerals or wakes. She was cremated, per her wishes, and is to reside in her daughter's home so that

she will have to dust her weekly. If you are able, and knew her, please think of her fondly, and maybe have a shot of Ouzo in her honor.

“*Susanne has had a few difficult times to get through in her life. But she always had that beautiful smile and great laugh of hers to greet you! She really was a wonderful person. So sorry for your loss goes out to all of her family. She also was so lucky to have had you by her side for everything Kim. You have gone beyond the role of daughter and much more. ❤️ Sending love and sympathy Bonnie Perry Carver*
