“ *I am so sad to learn of Sydney's passing. He was a good friend and our hero on the bus. I wish I would have stopped by his car lot more often but we always think we have more time. I still remember watching Syd playing football. I think it was Jr. High. Coach put Syd in as a fullback and he carried half of the opposing team across the goal line. You will be sorely missed my friend. Lots of memories. God Bless you Sydney Crawley*
