“ Oh Tammy, since the day I first met you, you always had a smile on your face. I don't think I ever seen you any other way. The laugh you had was contagious and cute because the way you moved your neck and shoulders. I noticed lol And you could crotch your butt off. The love you had for your daughter Amber, and those grandbabies was so incredible. You were incredible and an amazing woman Tammy, and you touched so many lives while you were only visiting this place called earth. You're HOME now Tammy where you'll always have peace and happiness. I know you're already singing and dancing for the Lord!

“ So many memories I can't think of just one. My by far favorite thing to do with grandma Tammy was the car rides. There wasn't an easier person on earth to talk to than Tammy. The whole car ride was just of all of us (Bryson too) cracking each other up. Never a dull moment... Bryson is gonna her the most out of anyone though. She was the best grandma to him. There might have been bumps in their journey of life but never for a second did she stop showing how much she loved him & would absolutely do anything for him. The bond them two had was a bond everyone wishes they had with their grandma. I am so thankful to have had you in my life. This world isn't the same without you 🥹❤️
