Tom you were a unique and kind individual. I am happy to have had the pleasure to know you. You will be missed if you like it or not. Rest well friend.

Tom was a self-made man and was fiercely independent. His generosity was sometimes not acknowledged but was unending. My sorrow at losing you cannot be touched, Tom.

Tom and I bonded through music and art and later cooking and a love of many other things (Including finding a liking for Karaoke, which surprised me at first). Tom had a great sense of style, appreciated nice things, was very intelligent, independent and was one of the hardest workers I have ever known, he was also very stubborn. Tom was very kind and generous, especially to those he cared about and through the years I was lucky enough to be one of those. You will truly missed Tom.

Almost a year and I miss you everyday. So often I find myself wanting to share something I saw or read with you only to be reminded that I can't. I silently share anyway, hoping you will get the message.
