“ It's hard to pick just one when there are so many but my favorite and the one I will miss the most is, On mother's day Thomas would take time away from his mom to come and take me to the cemetery to see my mom. Thomas was the best person that i have ever known and he will be greatly missed. My condolences go out to the Watkins family. Here is a picture that i took of him after we visited my mom he wanted to visit someone that he knew.
