“ I'm so sorry for your loss. I babysat for some of you guys and thought Timmy was so cute. Didn't know some of you younger ones but know you all are feeling the loss. My prayers are with you as you go through this grief. Juanita

“ Tim was a great partner for my friend Rosalyn. He took such good care of her when she needed it the most. I am sorry to hear of his untimely passing and know there will be a deep void not only in my friend's heart but in the world of renovation/construction. I think his motto may have been, “Anything worth doing, is worth doing well.” Praying for his family and my friend.

“ Tim and I worked together for over 15 years. He was my go to when I was in over my head. I have owned apartments for over 20 years. Anytime I went out of town or had a emergency Tim was the first person I would call. Funny story. I just finished rehabbing a unit it was a middle floor unit. I noticed the drain was draining slow so I decided to snake the drain. It so happened to be the day the chiefs were playing the buffalo bills in the best playoff game in history. Back to the drain, so I'm snaking the drain and finally open it up. The girls in the unit below came running up the stairs and told me water is pouring out of their ceiling! I had no choice but to start tearing up the units to find the problem. The snake punched a hole through the pipe! So I'm wanting to watch the playoffs but I'm up a creek. I call Tim. He didn't hesitate and came right out. We worked for about 3 or 4 hours and got it fixed just in time for the best second half of nfl football. I love you buddy.heaven just got a great all around great guy and tradesmen!
