“ *Tommy was a fun guy. One of the first people I had the privilege of working with when I started at CDD. He and his buddies taught me how to do karate chops, play basketball, shoot a mean game of pool and to throw darts. He also had a way of talking me into staying up later than he should to watch TV on "school nights".*

You will be missed Tommy. Give Henry a big hug for us.

Safe journey to the next lifetime. See ya the next time around!

- Jody Michael, Sr. Program Coordinator, Center For Developmentally Disabled.
