Trourina "Troy" Ann Ross

07/28/1965- 03/05/2019

Trourina aka Troy, was the eldest of 4 children, born to Ernestine & James Melvin Ross in Lansing MI. on July 28, 1965. She was resident of the KC/Independence metro area all her life. Sadly Troy lost her battle with breast cancer on Tuesday, March 05,2019 and passed away with her son, his girlfriend, & sister by her side.

Although never married, she had great love in her life. She was a mother and grandmother. survived by 3 sons Mikeal Strassel-Ross (Keira) of Independence, Jason & Jeremy Williams both of Alaska, & 4 grandsons. Dying at the age 53, she is survived by many: including her mother Ernestine, her longtime boyfriend Jeff Polacek, 4 sisters Marilyn Snow (Jj.), Brenda Breeden (JJ), Nona Thompson (jim), Tracy Abarca (Steve) and 1 brother James Ross (Christine). Many nieces, nephews, and extended family, too many to name.

We say good bye today, and her love ones waiting will welcome her home. In death, she is preceded by her dad James M. Ross, Step-dad Eugene Kelly, and 3 brothers, William, Gene, & Keith Drake and her babygirl Erika. Troy was

a loud, dramatic, and larger than life Queen B, and never try to fake it. Troy will be missed everyday. And take comfort that she will not be alone on her next journey, and will be waiting to welcome us when our time comes.

Troy chosed to be cremated and buried at later date on top of her dad.

“ Although I didn't know Troy very long, I felt I did when listening to stories told by Linda Shenberger...most of them funny and when It finally actually met her, she was just as Linda described...had me laughing and that's how I will always remember her...most the times that I saw her, couldn't tell she was sick, and she never made it an issue...God bless her and everyone who was family and friend...she will surely be missed by many :(

“ Troy I found a friend in you when I needed you the most, you made me laugh, told me when I was being foolish, loved me when I needed to be loved. I wasn't giving up on you through the roughest times I wasn't going anywhere. I lost my best friend but heaven just got a solid true angel. Spread your wings Troy!!! Watch over us all. Landon loves you!!!! I love you!!!

Troy, you were taken from this earth and taken from so many that loved you far too young. Please hug Bruce for me and tell him that I miss him terribly and will you both watch over all of us. God knows many of us need as many guardian angels as possible. You and Bruce will forever be missed. Til we meet again, RIP my friend!
