

## Tyler Montana Sears

May 2, 1991 - June 7, 2019

With deepest sorrow, we announce that Tyler Montana Sears, age 28, our beloved son, brother, family member and friend passed away suddenly, June 7th, 2019 following a tragic motorcycle accident. As he lived in life with a loving, generous heart, he has given in death, donating his organs and tissue to those in need.

He will be profoundly missed by his mother and stepfather, John and Jolene Bally, his father and stepmother, James and Anne Sears, his brothers, Zachary Sears, age 31 and Benton Bally, age 20, his stepbrother Hunter Mallinger, age 28, his grandparents Keith and Cynthia Jenkins, Lester and Joan Welty, John and Cecelia Larson, much family and many friends. Tyler's free spirit, love of adventure, but mostly his ability to refuse the social limits of race, religion, economic status, ability, or sexual orientation has made the loss of this incredible man so heartbreaking. There were no fences for Tyler, no borders that could not be crossed. He befriended all, helped all and loved all. Tyler danced to the beat of his own drum. Rooms lit with his smile, were captivated by his wit, and were intrigued by his vast knowledge of things A to Z. Our lives have been brightened with his love.

Please help us celebrate his life in the way of your choosing:

Candlelight Memorial at the fountain, his home, Thursday, June 13, 8:30pm,

3821 Bell St., Kansas City, MO 64111. You will feel his spirit with songs, words, and silent prayer. Prior to the memorial, family and friends will be at Gilhouly's, across the street at 7:00 pm to share stories in a sit down relaxed format of remembrance and toast to his love for life.

Celebration of Life First Christian Church, Friday, June 14, 5:00pm  
501 West Clay Avenue Plattsburg, Missouri 64477 in the loving arms of his church family.

Please dress reflecting your love for Tyler. No stuffy suits or dresses are necessary, just an open heart and mind.

In lieu of donations or flowers, please take care of the ones you love, open your hearts to those you meet and reach outside of your circle to help those in need.

“ My parents have already paid their respects and as they said, they knew Tyler since he was little, and watched him and my brother get in trouble together as they were growing up. I was never close to him, but I have plenty of memories with him. I'm forever grateful for his tolerance of me hanging on to him and Ben through some of their shenanigans. I haven't seen him probably since I was little, but I've heard various stories about him from various sources over the years, and everyone is right- just hearing about him brought a sort of spark and lightness to your mood. It is a tragedy losing him, and I hope he rests easy until he can cause some trouble in his next life.

“ My wife Brenda and I were saddened to learn of Tyler's tragic passing. He was the same age and a good friend of our son (Bennett) and we had known Tyler since he was around six. He spent a great deal of time around our house during his early teenage years and we always had a soft spot for Tyler, It was fun to recently see him back in Plattsburg and we had a chance to visit with him several times. He was a free spirit and a very nice young man, the world is a lesser place without him!
