“ Bill brought the whole “Hood” together. He was the rock that grounded us all. Bill made Hidden Valley a small intimate community of “family” not just neighbors, a true rarity in today's world. Bill you did such “strong work” making our Hood an amazing place to live and raise Jon & Jake (and Sidders 🐶). Love always from 6454: Jenny, Marcia, Jon, Jake

“ To Bill's 2 daughters and family,
I just heard of Bill's passing. I had not seen or talked to him for about 8-10 years. My husband and I saw him at the last Bikers for Babies ride we did. We, 'The Hood' all went as a group, to bikers for babies, for several years so it was nice to run into him there.

My heart is saddened for your loss. Bill was always a guy that was there for a wave, encouraging word, beverage or a sneak drag of a cig.
He and Sue helped me with Keli Del more than once and then Keli watched you 2 girls when she was older. Many good memories were made while in his presence.
Fun guy!

Gotta love a guy that served the military.I also remember packing boxes up and sending them while he was deployed! 1 time a month, Chinese and boxing 'apple juice' (rum) and other goodies!!! Good times!

I worked with Bill at KU for many years. He was a great guy, easy to work with, and willing to help others both at work and away. He put on a good fight with the disease he got. His loss to us is sad. Loved that man. May you rest on peace...you deserve it!
